Breezway Standard Colour Chart

Breezway's powder coating operation has been set up to address the diverse needs of Australian building designs. We offer 26 standard Australian colours with optional colour matched clips and handles.

We can paint some 300 additional colours. Breezway also has certification from Dulux and Akzo Nobel to powder coat their high performance finishes.

NOTE: Powder coated aluminium and plastic finishes may vary slightly in colour. Colours shown here are indicative only and may not exactly reflect their true colour due to printing processes. Please contact your local Fabricator for a colour swatch prior to ordering.

Warranty

Breezway offers a 7 year colour integrity warranty on Interpon D1000 and Dulux Duralloy, a 15 year colour integrity warranty on Interpon D2525, and a 20 year colour integrity warranty on Dulux Duratec powder coats subject to the correct care and maintenance of the powder coat. For information about how to care for your aluminium finishes, please visit the Care & Maintenance page on the Breezway website at breezway.com.au
